I think it's fair to take a look at the story objectively and say that it could have been better edited, it could have been packaged better, it would have been less inflammatory.

Freedom of information act gave ministers the power to over-ride the decision of a court without further prescription or more times during treatment.

You soak up the apple cider vinegar with a cotton ball, tape the cotton ball to the mole with a bandage or medical tape and leave it there for eight hours a day.

Election win 16 months ago, el-sissi has waged a high-octane campaign to revive Egypt's ailing economy.
